NOTICE OF PROPOSED RULE MAKING

Adopted: April 1, 2002

Released: April 8, 2002

Comment Date: May 30, 2002
Reply Comment Date: June 14, 2002

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by WSET Inc. ("WSET"), licensee of station WSET-TV, NTSC channel 13, Lynchburg, Virginia. WSET requests the substitution of DTV channel 34 for station WSET-TV's assigned DTV channel 56.

2. WSET states that its proposed channel substitution would permit station WSET-DT to operate on an "in-core channel" which would eliminate the need to change DTV channels at the end of the transition period. WSET claims that it would be able to complete the build-out of its DTV facilities earlier, thereby reducing its building costs. WSET also states it operation on DTV channel 34 would achieve a 25 percent increase in interference-free population over that of its current NTSC facility's licensed Grade B contour. Finally, WSET submits that its proposal to vacate an out-of-core DTV channel serves to make the next round of broadcast spectrum reallocation easier for the Commission.

3. We believe petitioner's proposal warrants consideration. DTV Channel 34 can be substituted for DTV Channel 56 at Lynchburg, Virginia, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (37-18-52 N. and 79-38-04 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 34 for DTV Channel 56 for station WSET-TV at Lynchburg with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
VA Lynchburg	34	660	625

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Lynchburg, Virginia	20, 56	20, 34

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before May 30, 2002, and reply comments on or before June 14, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

 (Counsel for WSET Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making

proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
